Please consider the references listed on the enclosed PTO-1449 form. Foreign patent documents and non-patent literature are enclosed; cited U.S. patents and patent application publications will be provided on request. The reason for the separate filings is that EFS permits only a limited number of attachments per EFS filing.

References "AI", "AJ", "AK", "AL", "AM", "APP", "ARR", "ASS" and "ATT" are the published versions of the above commonly owned, co-pending U.S. applications. The commonly owned, co-pending U.S. applications were filed as U.S. national phase applications under 35 U.S.C. §371 and, therefore, where a U.S. publication number is not yet available, the PTO-1449 lists the PCT publication number.

This filing is being made with the filing of a Request for Continued Examination. No fee is required.

Respectfully submitted,
